

# OZARK REGIONAL LIBRARY

## Foundation Board Application

Thank you for your interest in supporting Ozark Regional Library and the communities we serve. Members of the Foundation Board play a vital role by working with the Director to set strategic fundraising goals and strengthen advocacy for the Library. Board members collaborate as a team, attend quarterly meetings and events, and contribute their unique perspectives to help ensure the Library remains a welcoming and valuable resource for all.

Applications are accepted year-round and will be kept on file until a Foundation Board seat becomes available in the county in which you reside. When a vacancy occurs, applicants may be contacted as part of the appointment process.
